Summary

Result oriented full-stack web developer with full time six months training. I am a Moringa School graduate with certificate in Software Development (Full-Stack). I specialize in Python, Django and JavaScript. I am resilient and open to new skills in the market. The training has prepared me to deliver the best in my realm and the skills I possess can greatly contribute to your organization. My job focus is to adapt to the ever changing technology, learn new skills and keep improving.
